

Team Project Minutes 1/11/24

Date: 1/11/24

Time: 6:30PM

Location: Discord

Minutes/ notes by: Angelique Lee

Attendees: Ayanfe Oluwanimi

Tomas Gonzalez

Angelique Lee

Agenda Item:

Discuss ourselves (strengths and weaknesses) and our schedules to best understand how we can serve the team.

Actionable Items: NONE

Conclusion: We are not electing anybody as de facto leader, but as different parts of the project are worked on, whoever volunteers based on their strengths will operate as a primary on that task.

Agenda Item:

Discuss ideas and plan how we want to begin the project.

Actionable Items:

Angelique: Research Marriot Hotel holdings, but in general, but with particular attention to Singapore

Ayanfe: Research laws in regards to the hotel industry and AI in Singapore

Tomas: Research AI in the service industry. Things like how it's been implemented already and it's affects

Conclusion:

We are starting this project by concentrating on research with a wide scope. Understanding the problem and researching different aspects will give us an idea of where we want to go and possible avenues that may not seem initially obvious.
